

## **Request for Qualifications: Design-Build Project**

On September 29, 2017, MDOT posted a Request for Qualifications (RFQ) for a design-build project in the Metro Region to design, construct, install and integrate Pump Station Monitoring Systems for the majority of the 140 pump stations. Responses are due on November 3, 2017 at 2:00pm EST. The RFQ and additional information on the project can be found at the following link:
