

## **\*\*CONTRACTOR ANNOUNCEMENT\*\***

### **1300EZ Form Filing Schedule for April 2018, Bid Lettings**

On occasions where multiple bid lettings occur in one calendar month, MDOT is required to file an updated [1300EZ](#) from contractors who were granted low bid status of the latest executed bid lettings for which contracts are pending contract award.

Therefore, if your company received low bid status of projects from the April 6, bid letting, and your company is requesting, or has requested to bid for the special lettings occurring on April 11 and 18, 2018, a revised 1300EZ would be required.

Form 1300EZ may be submitted electronically at [MDOT-BidLetting@michigan.gov](mailto:MDOT-BidLetting@michigan.gov) or by fax at either 517-373-3707 or 517-241-4193.
