

****Contractor Announcement****

Optional Pre-Bid Meeting for Job Order Contracting Projects

An optional pre-bid meeting for upcoming Job Order Contracting projects is being held at the date, time, and location below. Attending the pre-bid meeting is optional and bidders that do not attend will be considered eligible to bid on the projects. The date, time, place, and purpose of the meeting are specified below:

1. Date. Tuesday, June 26, 2018
2. Time. 9:00am
3. Place. Michigan Department of Transportation
Operations Field Services
6333 Lansing Road
Lansing, Michigan 48917
4. The purpose of this meeting is to give an overview of the projects and the unique aspects involved with these projects including, but not limited to, the job order contracting delivery method, bidding procedure, work order process, and construction schedules as it relates to the progress clauses.

Contractors and subcontractors are strongly encouraged to attend. All questions asked during the pre-bid meeting will be recorded, and answers will be posted as Notices to Bidders Inquiry Response. The list of prime contractors who attended the pre-bid meeting will be posted in the Reference Information Documents for these projects after the pre-bid meeting is held.
