

****CONTRACTOR ANNOUNCEMENT****

Notification of All Bids Rejected

Beginning with the June 7, 2019, bid letting, MDOT will no longer provide bidders with a letter notifying them that all bids have been rejected for a project. An e-mail will be sent to the apparent low bidder, using the e-mail MDOT has on file for notification of awards.

As-checked results, including all bids rejected, can be found on the [Bid Letting Information](#) page, [Bid Express](#), and at the [Construction Contract Inquiry](#) site.
