Source: National Railroad Passenger Corporation (Amtrak) as compiled by MDOT, Bureau of Transportation Planning.

Due to an October 1, 2003 change in data management procedures, information in this document may not match previously generated MDOT reports. In addition, data in this report may differ from similar Amtrak reports due to differences in the way MDOT and Amtrak treat data not specifically attributed to individual stations. Fiscal year data for 1994 does not include ridership for October - December of 1993.

As of 7/10/25
