APPR:KF:DBP:08-07-14

Add the following new subsection to subsection 107.10.C, on page 61 of the Standard Specifications for Construction:

5. Builder's Risk Insurance. The Contractor must provide a Certificate or Certificates of Builder's Risk Insurance, in a form satisfactory to the Department. The dollar amount of the Builder's Risk Insurance must be for 100 percent of the bid amount for the building, and must be in effect until such time as the job is accepted by the Department. In addition, prior to acceptance by the Department, the Contractor guarantees that it will repair any damage to the building and/or replace the building if it is damaged or destroyed and will only seek reimbursement from the Builder's Risk Insurance Policy and will not seek any additional compensation from the Department.
