Dear Heather Dolan:

Subject: Changes to Permanent Pavement Marking Material(s) in Section
811.03D1 of the Michigan Department of Transportation Qualified
Products List

This letter is to notify you that the following submitted material changes have been accepted. These material changes are approved as revisions to the Michigan Department of Transportation (MDOT) Qualified Product List (QPL) under section 811.03D1 – "Waterborne, Liquid Pavement Marking Material".

| Product Name | Change Type | Current Entry | New Entry |
|--------------|--------------|----------------------|-----------|
| 14228 | Manufacturer | Ozark Materials, LLC | Ingevity |
| 14228 | Product Code | 14228 | 800171 |
| 24228 | Manufacturer | Ozark Materials, LLC | Ingevity |
| 24228 | Product Code | 24228 | 800327 |

These material changes will be placed on the QPL at the time of the next upload. This letter serves as verification of the above referenced revised products' approval by MDOT for use in the state of Michigan.

If you have any additional questions, please feel free to contact me at 517-582-0211 or BrambleM1@michigan.gov.

Sincerely,

Mary K. Bramble, P.E.
Pavement Marking & Delineation Engineer
