

MICHIGAN DEPARTMENT OF TRANSPORTATION ON-THE-JOB TRAINING PROGRAM TRUCKING TUITION VOUCHER

As a Trainee in the Michigan Department of Transportation's (MDOT) On-the-Job Training (OJT) Program, you are eligible to receive assistance for tuition and eligible fees for a trucking license (CDL) from a Michigan Works approved trucking school. Visit www.mitalent.org/mitc to find a Michigan Works approved trucking school near you.

Please present this Trucking Tuition Voucher to your school's financial aid/cashier's office when registering for the course. A school official must complete the remainder of the form and return it to MDOT's Office of Business Development (OBD) along with the documentation listed below. MDOT reserves the right to cancel voucher reimbursements at any time.

NOTE: It is the responsibility of the Trainee to ensure that the trucking school accepts Trucking Tuition Vouchers from MDOT. Failure to verify this may result in the Trainee being solely responsible for the cost of the training course.

Voucher payments are dependent upon On-the-Job Training (OJT) funds available. That amount may change prior to this voucher being returned.
