

CONSTRUCTION JOINT VENTURES REQUESTS

Definitions *(check one)*

Declared Joint Venture:

A joint venture in which the individual bidders may not have the net financial rating and/or may not have a numerical rating equal to or greater than the total required for the project; however, the bidders collectively meet these requirements. Only the parties (Bidders) of a Declared Joint Venture who have submitted audited financial statements with their prequalification applications qualify to bid on projects with 2000 or greater as the net classification required.

Submit a Declared Joint Venture request to MDOT-Bidletting@Michigan.gov no later than 5:00 P.M. on the day preceding the letting date for which this request is being made.

Undeclared Joint Venture:

A joint venture in which each of the individual bidders has the net financial rating and numerical rating equal to or greater than the net classification required for the project.

Submit an Undeclared Joint Venture request to MDOT-Bidletting@Michigan.gov no later than 5:00 P.M. on the day of the letting date for which this request is being made.

Instructions and Obligations:

The Administrative Bidder named below will be responsible for submitting the bid for this joint venture using their Vendor ID, Digital ID and password. For MDOT purposes, a unique Joint Venture Code will be assigned to represent the arrangement made by the parties stated below.

By signing this document, all members of the joint venture agree that they are bound by a bid submitted on behalf of the joint venture, as well as by all terms of this document. If a contract is awarded to the joint venture, each member is a "contractor" under the Standard Specifications for Road Construction and other contractual provisions, and this document constitutes "proposal material" under section 104.06.A of those Standard Specifications.
