The referenced agreement includes all mandatory clauses per FAA APP-510 Contract Writing Program through Version 2, dated 04/23/90. The cost was found to be reasonable for the services to be provided.

This agreement is recommended to be approved for state and federal participation subject to the following conditions.

PROJECT MANAGER, PROJECT MANAGEMENT UNIT

The referenced agreement is approved for state participation when a sponsor contract has been executed by the sponsor and MDOT and the Federal grant has been executed. This agreement is recommended for federal participation at such time as appropriate grants are executed with the airport sponsor and rates of participation established.

DBE GOAL

SUPERVISOR, PROJECT MANAGEMENT UNIT
