

LANE CLOSURE AND OVERSIZE/OVER WIDTH RESTRICTION REQUEST

Complete this form to have lane closure/construction information and oversize/over width (OSOW) restrictions posted to MDOT's Mi Drive website. The completed form must be sent to the region or Transportation Service Center's authorized staff for posting to Mi Drive. If construction will affect the movement of loads that exceed 8 feet 6 inches in width, 13 feet 6 inches in height, and 80 inches in overall length or overweight, you must also send the completed form to MDOT-OSOW-Restrictions@Michigan.gov.
