

## SNOWMOBILE TRAIL STRUCTURES AGREEMENT

Regarding the construction, maintenance, inspection, operation, and removal of  
the proposed structure over \_\_\_\_\_ approximately \_\_\_\_\_ miles \_\_\_\_\_ of  
\_\_\_\_\_ in \_\_\_\_\_ Township, \_\_\_\_\_ County.  
(Road name) (Trunkline) (# of Miles) (Direction)  
(Name of Township) (County)

1. Upon approval, the Michigan Department of Transportation will issue a permit for this project to allow the structure and portions of the approaches on Michigan Department of Transportation's Right Of Way.
2. The Michigan Department of Natural Resources is responsible for funding of the proposed structure.
3. The Michigan Department of Transportation does not, by issuance of this permit, assume any liability claims or maintenance costs resulting from the presence of the trail structure placed under this permit. All such costs shall be the Michigan Department of Natural Resources' responsibility, as well as costs for removing or relocating this structure as a result of highway maintenance or construction.
4. The Michigan Department of Transportation will perform required biannual inspections, other inspections required by Michigan Department of Transportation, routine maintenance, emergency repairs, and other needed improvements and repairs to the structure as required by Michigan Department of Transportation, and the costs for these items of work will be the responsibility of the Michigan Department of Natural Resources.
5. In the event that the structure falls into nonuse and/or are required to be removed, the entire removal and restoration work and associated costs as required by the Michigan Department of Transportation will be the responsibility of the Michigan Department of Natural Resources.
6. These agreement conditions will be in effect from the date of this permit's issuance to the date of the completion of the removal of this structure and its approaches and complete restoration approved by the Michigan Department of Transportation.
