

Adopt-A-Landscape Instructions

The following items are required to participate in the Adopt-A-Landscape Program.

1. Context sensitive solutions documentation. See Form 3727.
2. Work plan. See Form 3738
3. Maintenance plan. See Form 3740

The work and maintenance plans shall categorically address each of the following permitted activities requested:

- Plantings
- Trimming and pruning
- Vegetation removal
- Vegetation replacement
- Vegetation control
- Tree Removal
- Weed control
- Mowing
- Graffiti Removal
- Watering/irrigation
- Mulching
- Pesticide treatment
- Excavation
- Fertilization
- Soil Amendments
- Tilling
- Lighting
- Grading

For each permit activity selected, the work and maintenance plan shall specifically include the following details:

- Specific location
- Scope
- Schedule of time
- Schedule of tools, equipment, and vehicles
- Methodology
- Names and contact information of individuals involved
