

APPLICATION FOR OR REVIEW OF EXISTING LOCAL SEAPLANE CONTROL ORDINACE

MCL 259.401 "Seaplane Operations" are rules which provide for local units of government to apply to the Michigan Aeronautics Commission for approval for a local ordinance restricting the landing, docking, and takeoff of seaplanes. It also provides for individuals to apply to have an existing local seaplane ordinance reviewed and overturned. Such applications shall be submitted on this form and sent to the following address:

**Michigan Department of Transportation
Bureau of Aeronautics and Freight Services
2700 Port Lansing Road
Lansing, Michigan 48906-2106**

APPLICANT NAME	TITLE	DATE

REQUEST TYPE:
New Ordinance Ordinance Overturned Reconsider Prior Determination

Name and description of waterway involved including location by county, township and if applicable city or village:

Wording of the proposed or existing local seaplane ordinance: (If existing, include the effective date of the ordinance)

Provide the names of each county, city, township, or village whose boundaries include any portion of land adjacent to the waterway involved:

If a stream or river is involved provide the names of each county, city, township, or village whose boundaries are adjacent to the stream or river and with 3000 feet of the portion proposed for seaplane use.

If this is an application to have a previous decision of the Michigan Aeronautics Commission reference a seaplane ordinance reconsidered and reviewed or modified. Provide an explanation of what "substantial change" or changes in circumstances occurred that would justify the request.
